Background

One of the missions of the Corporation is to "provide opportunities to engage in service that addresses the nation's unmet educational * * * needs" (42 U.S.C. 12501(b)). President Clinton's *America Reads* initiative calls on all Americans to help ensure that every child can read well and independently by the end of the third grade. The Corporation is playing an important role in this initiative. It supports efforts that recruit and train tutors in local communities, increases the number of parents and community volunteers who are involved, and works cooperatively with Federal Work Study volunteers from colleges and universities supported by the U.S. Department of Education.

The Corporation is dedicating a significant portion of its resources to literacy and tutoring efforts and it is an agency priority to evaluate these efforts. This data collection will address the Corporation's literacy and tutoring programs including, although not limited to, the *America Reads* effort.
